

Important Notice

- We would like to remind everyone that since the start of the Covid-19 pandemic, the Practice has continued to see patients on a face-to-face basis where clinically appropriate
- We are following NHS guidelines which means that all patients who have Covid-type symptoms must have a negative PCR test prior to being seen in the Practice
- Please do not be abusive to our Reception Team. Our staff are following NHS guidelines and Practice protocol which includes triaging patients to the appropriate clinician for their needs
- If any patient has any concerns about their care, please contact the Practice Manager. Social Media broadcasting can be negative and destructive

Thank you for your continued support
